retreats@holycrossseminary.com

Dear Applicant,

You have indicated your desire to come and attend a retreat here at Holy Cross Seminary. We take this opportunity to welcome you.

Hoping that your plans have not changed, we invite you to return the **[Retreat Inscription Form](#)** *either by posting it to the Seminary, or by scanning and then emailing it to retreats@holycrossseminary.com*, furnishing your details and those of the requested retreat, and confirming your attendance by signing at the bottom.

Please return the form as soon as possible to ensure your booking, as these retreats are normally very well attended.

This retreat begins at 5:30pm on the Monday evening but will be preceded by Holy Mass at 4:30pm, as is the case with all retreats.

It will be over by 5:00pm on Saturday evening.

On the same form you will find a section regarding your **transportation requirements**. Complete this section *only* if you are making use of public transportation and need to be picked up in Goulburn at the train Station or at Canberra airport.

You don't have to return it immediately but only when you are sure of the details.

The Seminary is not able to collect or return retreatants for transport arriving/leaving before 9 am (10 am for Canberra) or after 9 pm.

Should it happen, due to unforeseen circumstances, that you are obliged to cancel, even though you may have already confirmed, please telephone us as soon as possible.

Please note: We request that you bring two bed sheets with you when you come, if possible. Towels and pillow cases will be provided by the Seminary.

A donation of \$150 is asked to help us with the necessary means in running the Retreats. You may send a cheque now or pay when you arrive for the retreat.

We look forward to you coming.

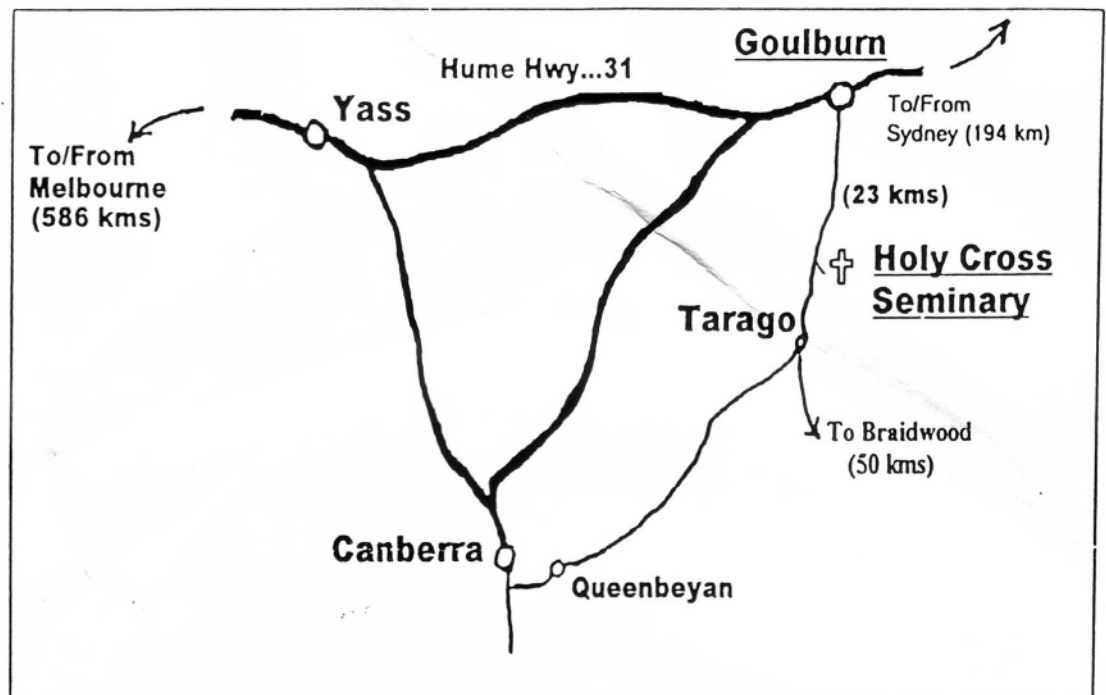

How to find us?

(For those making their own way here)

From Melbourne

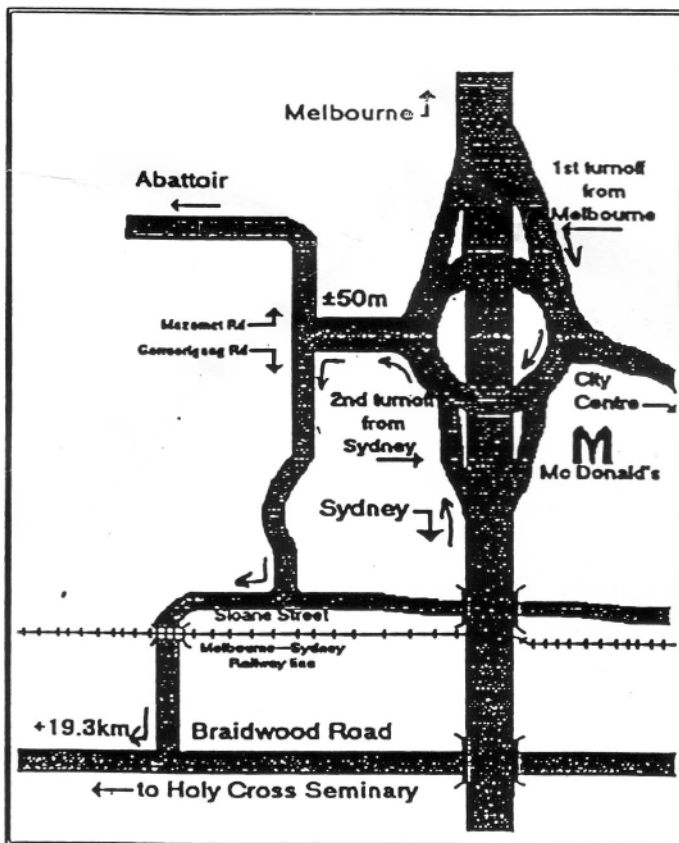

Use the free way and turn off at the first Goulburn turnoff (just before the MacDonald's restaurant) turn right going around the circle which goes over the freeway, then left, at the T-junction; into Garroorigang Rd., (the right, Mazamet Rd, will take you to the Abattoir: a dead end for some). Continue along this road till you reach

Sloane Street, this time turning right and passing under the railway line continue for about 500 meters, and then right again into Braidwood Road. (See maps)

Holy Cross Seminary is about 20km south of Goulburn, along the Braidwood Road. We are on the

left as you come down from Goulburn; look out for our tower sticking out above the trees and our blue sign board near the white double-gate.

From Sydney

When coming from Sydney one must take the southern (2nd) turnoff, near the MacDonald's restaurant, and then sharp left; then left again at the T-junction, into Garroorigang Rd., (the right, Mazamet Rd., will take you to the Abattoir: a dead end for some). Continue along this road till you reach Sloane Street, this time turning right and passing under the railway line continue for about 500 meters, and then right again into Braidwood Road.
